If the cancellation is received less than 60 days prior to the Expo and the space(s) is sold to a new exhibitor, then a 70% refund shall be made. Cancellations received less than 30 days prior to the Expo shall not be entitled to any refund. In all cases no refunds shall be made unless the Expo is completely sold out.

2. (A) SALES POLICY: Exhibitors must be actively engaged in wholesale distribution and/or manufacturing of products for sale to the building supply retailer in Atlantic Canada. Services or products to be exhibited must be for resale to or for use by retail lumber building material dealers. Expo management, in its absolute discretion, reserves the right to refuse spaces to exhibitors, or at any time up to two weeks before the commencement of the Expo, to review qualifications of an exhibitor and the fitness of an exhibit and cancel any space reserved, if it determines an exhibitor is not engaged in manufacturing, distributing or selling products to lumber and building material dealers, or if for any other reason it fails or ceases to meet the criteria established by Expo management with respect to the qualifications of exhibitors and fitness of exhibits. Expo management shall act as sole judge of qualifications of exhibitors and the applicability and fitness of exhibits. Exhibitors are not permitted to have any dealer assistance or participation or identification with the operation of their exhibit. Exhibitors are asked to report any infractions to the Expo management so that remedial action, if necessary in the opinion of the Expo management, can be taken.

2. (B) Where Expo management determines any time up to two weeks prior to the commencement of the Expo, that an exhibitor fails or ceases to qualify for space, Expo management shall return to the exhibitor all deposits and booth rentals paid by the exhibitor, but shall not be liable for any other cost, damages or expenses incurred by the exhibitor arising out of or in any way connected with cancellation of this agreement.

3. BOOTH SPECIFICATIONS: All booths are ten feet by ten feet (10' wide x 10' deep). Curtain type backdrops and rail type separating bars between booths will be provided free of charge. Company identification signs are the responsibility of individual exhibitors. Booths will be vacuumed and dusted each night. Rental of sundry items for exhibitor booth(s) such as tables, carpet, chairs, etc. is the responsibility of the exhibitor and can be arranged directly through "Legault Decorating Ltd." or any other contractor of your choice. Any inquiries should be made directly to your contractor.

4. (A) HEIGHT LIMITATIONS AND APPEARANCE: "Standard and Prefabricated Booths": large equipment or structures must be self supporting and free standing and shall be placed as close as possible to the rear of the booth in consideration of neighbouring exhibitors. Exhibitors must not unduly obstruct visibility of adjacent booths, i.e. 50% visibility allowance for booths on either side, (in-line booths). All exhibitors shall ensure that no obstacles, materials or coverings of any nature are placed over any aisle carpeting or allowed to protrude into any aisle.

4. (B) All booths more than 10 feet in height must have plan approved by the Expo Committee.

5. (A) SIDE WALL PROJECTION: Projection of sidewalls from rear of booth more than 4 feet high must be limited to a maximum length of 5 feet 6 inches from the rear walls of the booth, allowing 50% visibility at the sides of exhibit. All sides and surfaces of exhibit (booth and signs) which are exposed to view must be properly finished and decorated. Expo management reserves the right to refuse entry, or to have

removed, at the exhibitor's expense, any display which is not in accordance with these rules and regulations. If any doubt exists, or where a special case exists, the exhibitor must provide details and have such exhibit approved by Expo management prior to move-in.

5. (B) Exhibitors must notify organizers if their booth is a prebuilt trailer display which is moved on wheels or a trailer to its location.

5. (C) The ABSDA Building Supply Expo Committee may review booth appearance specifications with the exhibitor, prior to the Expo, and reserves the right to cancel the booth rental agreement should the exhibitor not, in the opinion of the Expo Committee, meet presentation requirements.

6. SOUND: Police your own booth(s) to be sure the noise level from any demonstrations or sound system is kept to a minimum and does not interfere with others. The use of sound systems or equipment producing sound is an exception to the rule, not a right. Expo management reserves the right to determine at what point sound constitutes interference with others and must be discontinued.

7. SOLICITING: Participating exhibitors have the exclusive right to promote or sell goods or services in this Expo. Any other parties will not be allowed to make any sale solicitations without the expressed written permission of Expo management. Exhibitors are asked to report any infractions to the Expo management so that immediate remedial action, when necessary in the opinion of Expo management can be taken. **Distribution of samples, souvenirs and promotion material and solicitation of business must be confined to the exhibitor's own space(s). No displays are permitted outside the complex.**
