LEADERSHIP CONFERENCE 2026

Lead - Adapt - Elevate

October 29 2026
8:30 - 4:00 pm
absda.ca

Leading with Clarity in a Transforming World

Join us for a one day professional development experience designed just for you. Whether you are an owner, manager, supervisor, or emerging leader, you'll leave with fresh perspectives, practical tools, and renewed confidence to lead your people through change while building stronger, healthier, and more successful organizations.

Professional Development Outcomes

Empowered Leadership: Build trust, ownership, and accountability by developing teams that can think, decide, and perform with confidence.
Workplace Resilience: Strengthen employee engagement, reduce burnout risks, and create conditions where people can adapt and thrive through change**.**
AI Readiness: Explore practical, low-risk applications for AI and confidently take the first steps toward responsible adoption
